COURSE WALK-THROUGHS AND WARM-UP INFORMATION

Handlers in all classes in which they are entered are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only. Handlers with multiple dogs, at events with multiple rings may request to walk with a height group other than the one their dog is entered in if a conflict is imminent.

A warm-up area, consisting of a regulation agility jump, may be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog.

OBSTACLES AND RING CONDITIONS

Obstacles will meet the specifications for obstacles in the current edition of the Regulations for Agility Trials. All classes will take place outdoors on a grass surface. Ring size will be a minimum of 100ft x 100 ft.

ADDITIONAL SITE INFORMATION

Joe Rowell Park is comprised of 25 acres that is bordered by the Dolores River. There are two well-manicured level softball fields which will be the trial arenas, grassy fields for crating, adequate parking, and RV parking area for 35 units without hook ups, and limited areas for tent camping. Fishing is allowed along the river with a current Colorado fishing license.

Crating space will be available in designated areas only. Crates may be left overnight; however, DADc and Joe Rowell Park will not be responsible for any lost or damaged items left at the show site.

A food vendor is scheduled to serve food at these trials. There are also various restaurants and a grocery store nearby.

Exhibitors are responsible for cleaning up after their dog(s) and for keeping their crating area clean. Any exhibitor failing to do so may be excused without benefit of refund if the Trial Committee deems the exhibitor to be in violation of this requirement.

PLEASE NOTE: There will be a **\$75 FINE** for any larger items left behind in the crating area or elsewhere on trial grounds at the conclusion of the trial. Items such as broken EZ-Ups/shade canopies, broken chairs or ex-pens, etc., must be removed from the site to avoid the fine. Only items that fit easily into trash barrels may be disposed of in trash barrels. All other items must be removed from the trial site by the exhibitor who brought them.

MEASURING and HEIGHT CARD INFORMATION

Effective January 1st, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the **Judge of Record** PRIOR to running in their class and this measurement will be valid for that weekend of trials only. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present; **ALL** dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog **before** its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

SIMPLIFIED JUMP HEIGHT CARD PROCESS

When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog needs to be officially measured. Please check the box so that the Trial Secretary knows whether to include your dog on the Dogs To Be Measured List. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in.

RIBBONS, AWARDS, AND PRIZES

Ribbons will be awarded in each jump height division in each class as follows:

First Place.....	Blue
Second Place.....	Red
Third Place.....	Yellow
Fourth Place.....	White
Qualifying Score.....	Dark Green

A special rosette and decorated bar will be awarded to all dog and handler teams that attain their MACH/PACH/AGCH. All awards must be claimed by the end of the trial. None will be mailed.

All exhibitors should obtain a copy of the Regulations for Agility Trials by downloading them from the American Kennel Club website at <http://www.akc.org/rules/>

NOTICE TO EXHIBITORS

SAFETY, BEHAVIOR and LIABILITY

The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely. **It is expressly understood** that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The Durango Agility Dog Club and its agents, employees, etc., will assume no responsibility for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The Durango Agility Dog Club reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the Durango Kennel Club or any official thereof. **All dogs must be on leash** at all times when on trial grounds except when in the designated warm-up area or competing on the course.

REFUNDS

Entry fees will not be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause* beyond the control of the organizing committee. No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Trial Committee.

Bitches in season are not permitted to compete in Agility Trials. As such, Durango Agility Dog Club will refund 100% per day of the entry fee paid for bitches unable to compete for this reason. In order to receive a refund, the Trial Secretary must be notified prior to the start of judging on the first day of the trial or cluster of trials.

RINGSIDE

Dogs may arrive any time prior to judging if the dog has a valid temporary or permanent jump height card. Otherwise, they must be available for measuring prior to the start of their class if a VMO or AKC Field Rep is available to measure dogs. All dogs not needed for further judging will be excused.

Judges are not required to wait for dogs. The Owner of each dog is solely responsible for having it ready at ringside when it is to be judged. The Club has no responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

CATALOGS

A limited number of catalogs will be available for viewing at the trial secretary's booth. None will be sold. Running order sheets will be available to all exhibitors at no charge and posted online after closing.

VENDORS

If you would like a vendor space, please contact Pam Leisle at pjleisle@gmail.com or phone (970) 749-9812 by July 19th, 2023 for more information.

This club does not agree to arbitrate claims as set forth on the Official AKC Entry Form for this event.

YOUR HELP IS NEEDED!

Agility trials depend on the help of many people to run smoothly. A little help goes a long way: Class volunteers ensure that the rings run efficiently and on schedule. Volunteer positions include:

- **Timekeeper:** Person who uses the electronic timer to time every dog running for an entire class
- **Scribe:** Person who watches only the judge and marks faults on a scribe sheet
- **Gate Steward:** Person who maintains running order of dogs and keeps dogs moving in and out of the ring
- **Scribe Runner:** Person who brings marked scribe sheets to the secretary's table so that scores are recorded, and results posted in a timely fashion
- **Bar Setter:** Person who resets knocked bars and changes heights of jumps, A-frame, and table between height divisions
- **Leash Runner:** Person who delivers dog's lead from the start line to the finish

**No experience necessary—just a willingness to help and learn.
You will be rewarded for your help!**

Please sign up where you can each day at the show (Look for the whiteboards for each ring)!

Questions? Email Chief Ring Steward Terri Moyers at terrimoyers@gmail.com or call/text (505) 238-8369

Thank You!
